EDUCATION

University of Toronto

Expected: May 2029

Rotman Commerce BCom Management Specialist (Finance Focus); Minors in Statistics & Economics

Toronto, ON

- **Activities/Societies:** RC Book Club (Events Committee), TSIC (Foundations), BMO Finance Research and Trading Lab

EXPERIENCE

Sartorial Wealth

May 2026 – Present

Research Associate | September 2026 – Present

Toronto, ON

- Conduct equity and cross-asset research for portfolio managers, building and back-testing models and strategies and analyzing datasets via FactSet and YCharts in Python/SQL to support investment decisions.

Summer Research Associate | May 2026 – August 2026

- Build proprietary research apps, algorithms, and experimental tools for portfolio managers and the CEO, using AI-assisted and agentic development to automate workflows and rapidly prototype new ideas.

University of Toronto, Rotman School of Management

Summer 2026

Research Assistant – Field Team Member | Prof. Tosen Nwadei

Toronto, ON

- Recruited and screened participants for a field experiment across Toronto events, adapting cold outreach and communicating study requirements and incentives across high-volume public interactions.

PROJECTS

FI99 Inc.

Jul. 2026 – Present

Co-founder & Director

Toronto, ON

- Co-founded an incorporated experimental studio; built fi99.ca end-to-end and shipped studio and client projects including Krine, PlotON, Fallow, and WR!TE.
- Engineered a real-time Three.js/WebGL rocket centerpiece, converting and optimizing a raw OBJ into a wireframe GLB and building cursor-tracking, scroll-driven motion, and particle effects.
 - **Tech Stack:** Astro, TypeScript/JavaScript, Three.js (WebGL), Tailwind CSS, GSAP, Lenis.

Personal Website

Mar. 2026 – Present

Creator

Remote

- Built jarabana.com, an interactive Brutalist/Y2K portfolio with custom animation systems, a functional terminal and command palette, a monthly blog, and a hand-drawn guestbook with 40+ visitor signatures.
 - **Tech Stack:** React 19, TypeScript, Vite 8, Framer Motion 12, React Router 7, Cloudflare D1.

AWARDS & SERVICE

Awards: 2nd Place, STEMINATE Hacks 2026 for Waive (52 teams; 280+ participants); DECA Provincial Champion (2024, 2025); DECA ICDC Silver Seal (2024)

The Homework Club by Big Brothers Big Sisters

Jul. 2021 – Jun. 2025

Mentor

Oakville, ON

- Mentored elementary-school students through long-term academic and personal support.
